25X1 11. [ ] Met with Mrs. Oneta Stockstill, Executive Secretary, House Armed Services Committee, and reviewed with her H.R. 14318 and H.R. 14323, bills to create an office of defense review and a temporary national security commission. Mrs. Stockstill advised that comments have been requested from DOD and the Comptroller General, but that no Committee action is anticipated on these bills. No interim response is desired. If the Agency has strong objection to the bill such a response would be of use to the Committee. Otherwise no answer to the Chairman's letter is needed at this time.

2. [ ] In view of his prior notice to us of a letter which the Secretary of Defense had received from the Joint Committee on Atomic Energy regarding the William Beecher article of 9 October, I advised Frank Hand, DOD Liaison, that the Agency had been contacted today by ACDA regarding a letter they had received from the Joint Committee concerning Beecher's article of 2 October. I told Hand that it was the 2 October article on which we had received an inquiry from the Joint Committee.

12. [ ] Received a call from Ethel Maness, in the office of Representative Leonard Farbstein (D., N. Y.), who requested an employment interview for [ ]. After checking with Mr. [ ] Office of Personnel, I advised Ethel Maness that an appointment has been scheduled for Wednesday, 15 October at 11:00 a.m.

25X1  
13. [ ] Lura Dean Hoskinson, in the office of Senator Stuart Symington (D., Mo.), called to set up an appointment with Agency representatives for a constituent who is looking for a 20-year grant to underwrite a program for "making children better individuals." I told her that from what she had said the program had no apparent interest for this Agency and reviewed the legislative proscriptions surrounding our functions. She agreed, but said that she might have to come back to us if she was unable to arrange other appointments for the constituent since apparently an HEW representative who had talked to him had mentioned that either DOD or CIA may have some interest. I told her that if called upon we would meet with the individual as a courtesy to the Senator.

14. [ ] Mr. Robert Hull, Department of State, called for a rundown on our plans for updating the Agency's Retirement Act to the Daniels bill, which I gave him.
